CITIZEN COMMENTS

Emails were handed out to the Golf Board that we had received through the website.

ITEM 1 – GRAPEFEST GOLF TOURNAMENT AND BOOTH

There was a brief discussion about the golf tournament and participating with a booth at the Grapefest. CVB will be making the decision on the beneficiary of the golf tournament.

ITEM 2 – DRIVING RANGE LIGHTS UPDATE – Russell Pulley

Russell Pulley reported that we are still waiting on Corp of Engineers approval on the lights. They have stated that this is only a formality, but we are now at three weeks waiting for the approval.

ITEM 3 – SCORECARDS AND YARDAGE BOOKS – Russell Pulley

Russell stated that we had received the new scorecards and the yardage books with the advertising. He stated that we had sold over 100 of the yardage books.

ITEM 4 – UPDATE ON COURSE MAINTENANCE – Merlin Tielkemeier

Merlin reported that in the 2nd week of August his staff will be performing the real aerifying of the greens. This is when holes are punched. It will take about three weeks for the greens to recover. Danny asked why they could not spread out the process over the month and Merlin stated that you run the risk of not getting recovery before the growth of the grass goes dormant. In the fall he stated that they will be planting more Bluebonnet seeds and hopefully the next year

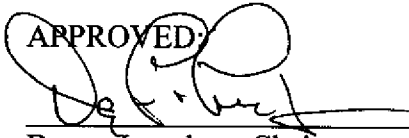

there will be more Bluebonnets that come up. Tom Kormondy stated that the course looks great coming across the dam.
